Setting new standards in earthmover tyre repairs

# EARTHMOVER TYRE REPAIR ACCREDITATION PROGRAMME

A high level of skill is required to carry out a quality earthmover tyre repair that can help you optimise the life of your Michelin tyres and therefore help reduce costs.

As responsible manufacturers, Michelin and Rema Tip Top have worked together to create a programme for professional repairers that when completed in accordance to the strictest of conditions they are awarded accreditation by Michelin and Rema Tip Top.

Michelin and Rema Tip Top congratulate Marathon Tyres in achieving accreditation.
